

Declaration of Performance

EN 14783 - Fully supporting products of steel

Company:	Lindab Profil AB
Article coding:	LSP, Seam roof profile
Geometrical tolerances:	EN 508-1
Product type:	Steel sheet
Thickness and class:	0,6 class 1
Material:	DX54+Z350 for High durable polyester DX54-6+AZ185 for aluzinc DX54+Z350 for galvanized
Side 1:	HDP 36 my for High durable polyester Uncoated for galvanized and aluzinc
Side 2:	SP 8 my for High durable polyester Uncoated for galvanized and aluzinc
Length of tile step:	Not applicable
Reaction to fire:	HDP, Class A2 - s2, d0 Galvanized and aluzinc, Class A1
External fire performance:	Broof (t1), Broof (t2) and Broof (t3)
Resistance to concentrated force:	NPD
